### **JOB SUMMARY**

The Town of Blue Hill seeks a seasonal Summer Public Works laborer to provide assistance to the Public Works Foreman in the upkeep of town properties, parks, facilities, and roads. Duties include painting, cleaning, facility repair and maintenance, and parks and greenspace maintenance and repair. Incumbent will require working with hand tools, working on ladders, and operating power tools and commercial equipment as needed. Additionally, the position requires assisting in projects relating to road building, road maintenance, water drainage construction, and related tasks of the Public Works Department. Work will be performed under supervision (road work) and independently (landscaping, facilities projects) at times. The Applicant must have the ability to establish and maintain effective working relationships with supervisors, town staff, and the general public. A valid Drivers ID and being over the age of 18 is required for this position.
